Most employees now expect to be able to manage their finances from one central place. rapid! PayCard has developed a FREE Mobile App called rapid!Access, which enables them to manage finances on the road.

With our latest release rapid!Access 3.0, cardholders have some great new features for secure and immediate access to view and manage their account. Cardholders can now access their finances wherever they are . . . the mall, the grocery store, the gas station . . or even sitting at home on the couch.

The rapid!Access application is iPhone and Android compatible.

Available for the iPhone and Android
